

February News

Speech and Language
Your child is receiving speech and language services at their school.

Please practice _____
with your child.

Events

February 14 is Valentine's Day!
Speech and Language Services
are being provided to your
child's school by
Creating Communicators
Email
mindy@creatingcommunicators.net
for more information.

Reminders

Your child is attending speech
therapy at school. Although it is
important to practice at school,
your child will also need to practice
at home too!
Ask them what they worked on in
speech this week.

Learning Focus

February is Fluency Month
Dysfluency is also know as stuttering. The goal is to
have fluent or smooth speech.

If your child is being dysfluent you can avoid
speaking for them or filling in their message. Avoid
interrupting your child or letting family or siblings
interrupt them.

MODEL s-l-o-w, smooth speech for your child.
